HOBBIES & INTERESTS

Interactive Storytelling
Video Games
Cosplay & Modelling
Folklore and History
Content Creation

WORK EXPERIENCE

NeoBards Entertainment Breda – Game Designer

01/10/2023 – Present

With a team of +20 game developers worked out a new IP from the ground up, joining in on R&D and several prototypes, primarily leading the Level Design for each prototype while remaining flexible in my tasks for the project.

LFG Studio Red – Narrative Designer

01/10/2021 – 01/7/2023

Worked with an international writing team on the preproduction of several projects and assisted the design team with R&D, documentation for internal and external parties, and writing marketing content.

EDUCATION

Breda University of Applied Sciences

2017 – 2021

Bachelor's degree in game architecture and design

Gertrudis college (High school)

2010 - 2017

VWO Diploma (Pre-university education)

+ C2 Cambridge Certificate

+ Java coding Certificate

OTHER SKILLS

Language Proficiency

I have an English C2 Cambridge Certificate, and can fluently write, read, and speak both English and Dutch

Story Structure and Theory

Proficient and knowledgeable on story structures, theory, tropes, and worldbuilding methodologies. Conveying story via environment or dialogue.

Tabletop Game Master

I have over 10 years of experience running various TTRPG for friends and coworkers, implementing individual story submissions and contributions into singular, epic tales.
